Any disputes regarding this agreement should be directed to the Illinois Secretary of State Office.

If requested, an adult student may use the My Tutor Driving School vehicle in order to take the driving test. The cost for this service is $65.00 per hour.

It is my desire to engage the services of My Tutor Driving School for the purpose of obtaining an Illinois Driver's License.

I understand that the number of sessions (classroom and Behind The Wheel) will be determined by mutual agreement between the Driving Instructor and me.

I understand the cost of each Driver Education session to be $65.00.
